|    |  |  |   |  |   |
|----|--|--|---|--|---|
|    | club of the department of Hygiene and Ecology                        | prevention of pnosological disorders in the state of mental health of adolescents aged 15-17, hygienic bases of vocational guidance of adolescents and youth, methods of rational organization of educational and extracurricular activities of students, biorhythmological principles of rational organization of students, measures to prevent chronic fatigue senior school age, study the hygienic aspects of the influence of factors of the intraschool environment on the health of children, adolescents and young people. | department of Hygiene and Ecology         | Yuriyivna (leader).  | <a href="#">partment/department/17</a>  |
| 7. | Student scientific club of the department of Pathological Physiology | Members of the scientific club are students of different courses who have a desire to learn and seek more about the pathological processes that occur in the body. Students constantly take part in student  | the department of Pathological Physiology | Beregovenko Yuliya Mykhailivna (chair).<br>Filevych Olga Andriivna (leader).<br>Swed Alexey Vadimovich (leader). | <a href="https://www.vnmu.edu.ua/en/department/department/14">https://www.vnmu.edu.ua/en/department/department/14</a> |

## National Pirogov Memorial Medical University, Vinnytsya Student Scientific Society

|     |   |   |  |  |   |
|-----|---|---|--|--|---|
|     |   | conferences, which take place both inside and outside our university, publish abstracts and scientific articles. Meetings are held 1-2 times a month.   |  |  |   |
| 8.  | Student scientific club of the department of Operative Surgery and Clinical Anatomy | Mathematical and experimental modelling of morphofunctional ones is considered changes in the body during pathological processes, injuries, as well as after surgery, the development of new methods of surgical treatment. | the department of Operative Surgery and Clinical Anatomy | Agafonov Konstantin Mikhailovich (leader).                                   | <a href="https://www.vnmu.edu.ua/en/department-of-operative-surgery-and-clinical-anatomy">https://www.vnmu.edu.ua/en/department-of-operative-surgery-and-clinical-anatomy</a> |
| 9.  | Student scientific club of the department of Pharmaceutical chemistry               | Conduct macro-, refractometric and potentiometric studies, titrimetric, microscopic, spectrophotometric and photolorimetric studies.  | the department of Pharmaceutical chemistry               | Ocheretnyuk Anna Alexandrovna (chair).<br>Brumar Victoria Yakivna (leader).  | <a href="https://www.vnmu.edu.ua/en/department/department/8">https://www.vnmu.edu.ua/en/department/department/8</a>   |
| 10. | Student scientific club of the department of Biological and General Chemistry       | Develop skills of working with experimental animals, consider biochemical research methods, creative and interactive methods of presenting scientific   | the department of Biological and General Chemistry       | Yurchenko Petro Alexandrovich (chair).<br>Belinska Olga Ruslanivna (leader). | <a href="http://biochem.vsmu.edu.ua/society/society.htm">http://biochem.vsmu.edu.ua/society/society.htm</a>   |

## National Pirogov Memorial Medical University, Vinnytsya Student Scientific Society

|     |   |   |  |  |   |
|-----|---|---|--|--|---|
|     |   | information.  |  |  |   |
| 11. | Student scientific club of the department of Foreign Languages              | They improve their knowledge of foreign languages and study professional medical terminology in depth.  | the department of Foreign Languages              | Mazaykina Irina Olegivna (chair).<br>Semenyuk Anastasia Vladimirovna (leader). | <a href="https://www.vnmu.edu.ua/en/department/department/3">https://www.vnmu.edu.ua/en/department/department/3</a>   |
| 12. | Student scientific club of the department of Medical Biology                | During the meetings, the macro- and microstructure of the human body, the basics of the functioning of organs and systems, the causes of their violation and the occurrence of diseases, methods of their diagnosis and prevention are studied. | the department of Medical Biology                | Biloshitska Alina Vasylivna (chair).<br>Gurina Olga Bogdanovna (leader).       | <a href="https://www.vnmu.edu.ua/en/department/department/4">https://www.vnmu.edu.ua/en/department/department/4</a>   |
| 13. | Student scientific club of the department of Physical training              | Study of genetic predisposition to the development of physical qualities, as well as the influence of various factors on the level of physical health.  | the department of Physical training              | Sorokina Natalia Alekseevna (chair).<br>Kravchenko Anna Viktorivna (leader).   | <a href="https://www.vnmu.edu.ua/en/department/department/11">https://www.vnmu.edu.ua/en/department/department/11</a> |
| 14. | Student scientific club of the department of Ukrainian language and culture | The direction of the student's scientific club is culture of speech, professional speech, medical terminology.  | the department of Ukrainian language and culture | Lisovyi Mykola Ivanovych (chair).<br>Shaidyuk Vladislav Yuriyovych (leader).   | <a href="https://www.vnmu.edu.ua/en/department/department/7">https://www.vnmu.edu.ua/en/department/department/7</a>   |

## National Pirogov Memorial Medical University, Vinnytsya Student Scientific Society

|     | "Culture of professional speech"  |  |  |   |   |
|-----|---|--|--|---|---|
| 15  | Student scientific club of molecular biology and genetic analysis                             | The study group of molecular biology and genetic analysis aims to research molecular genetic interactions and their impact on the course of pathological processes; single nucleotide polymorphisms (SNPs). Important point of the group is the search for new practical uses of PCR as a universal method of diagnosis. It has been operating since 2019. | Educational-scientific clinical-diagnostic laboratory of polymerase chain reaction | Lyudkevych Halyna Petrovna (chair).<br>Gaidukov Nikita Valerievich (leader) | <a href="http://pcr-lab.tilda.ws/">http://pcr-lab.tilda.ws/</a>   |
| 16. | Student scientific club of the Department of Disaster Medicine and Military Medicine "Savior" | During the meetings, we discuss modern research on, protocols for the provision of emergency care and the organization of emergency medical care.  | Department of Disaster Medicine and Military Medicine                              | Koroleva Natalia Dmitrievna (chair).<br>Dyba Alexander Petrovich (leader).  | <a href="https://emergency.vnmua.edu.ua">https://emergency.vnmua.edu.ua</a>   |
| 17. | Student scientific club of Latin language of the department of Foreign Languages              | Aspects of Latin language proficiency, use of Latin terminology in medical practice are studied in depth.  | department of Foreign Languages  | Mykhailiuk Halyna Tadeivna (chair).<br>Beda Anna Vasylivna (leader).        | <a href="https://www.vnmua.edu.ua/en/department/department/3">https://www.vnmua.edu.ua/en/department/department/3</a> |
